By JOE F. KANE  
WASHINGTON (AP)—From around the world came an outpouring of tribute today to John Foster Dulles. And in the capitals of the free nations, diplomats are ranged to fly here for last rites for a fallen leader of resistance to Communist expansion.

Ravaged by cancer and stricken by pneumonia, the 71-year-old former U.S. secretary of state died in his sleep at 7:49 a.m. Sunday. The funeral will be held at 2 p.m. Wednesday in Washington National Cathedral.

Because of Dulles' long dominance of free nations' strategy in dealing with the Soviet Union, his passing seemed to many to mark the end of an era.

The men who knew Dulles best had no doubt that one of his own great regrets was that final illness had made him a spectator from afar rather than the active field general as the West's foreign ministers strove in Geneva for some progress toward a settlement with the Kremlin and a true peace.

But though he was absent from the party, Dulles was still a dominant influence through continuing policies worked out under his leadership.

In recognition of that Dulles role the Western diplomatic chiefs were pulling out of the party en masse to attend the funeral services.

Accompanying Secretary of State Christian A. Herter, who took over that office from his former chief, were British Foreign Secretary Selwyn Lloyd and French Foreign Minister Maurice Couve de Murville.

There was talk in Geneva that their adversary, the Soviet Foreign Minister, Soviet Foreign Minister, continued on Page Six

## One Judge to Hear Pine Bluff Case

LITTLE ROCK (AP)—A single federal judge instead of a three-judge panel will hear a suit filed by three Negro students seeking to enter an all-white school in the Dollarway District near Pine Bluff.

The three-judge court was dissolved today and the litigation was assigned to District Judge Axel J. Beck of Elk Point, S. D., who has been handling some cases here on a temporary basis.

Two judges of the three-judge court agreed with attorneys for the Dollarway District that there is not a sufficient constitutional question involved to call for more than one judge.

The two who signed the order were Circuit Judge John B. Sanborn of St. Paul, Minn., and District Judge John E. Miller of Fort Smith. Beck was the third member of the panel.

The two judges turned down the district's application for dismissal of the integration suit without trial. The district's attorneys asked that the plaintiffs had not used up the administrative remedies open to them under the 1958 Arkansas pupil placement act.

Attorneys for the Negroes have contended that the placement law is invalid on its face and that it "would be the height of futility" for them to seek admittance to the white school under provisions of the act.

## Walnut Ridge Board Members Endorsed

WALNUT RIDGE, Ark. (AP)—Voters overwhelmingly endorsed two members of the Walnut Ridge School Board in a recall election Saturday. The vote was 35 for recall of Alfred Malone with 129 against; and 32 for recall of Clifford Hawk with 133 against.

No reason had been announced for the proposed ouster.

It was the second recall election held in Arkansas under a 1954 law aimed at electing school board members with integrationist tendencies. The first was held in the integrated Hoxie school district in January but the recall was unsuccessful.

Hope Jaycees have elected Eugene White, president; Donvil Ross, first vice-president; Fred Mathenia, 2nd vice president; Wade Benefield, treasurer; Tom Hand, secretary; and the Board of Directors include J. B. Martin, Al Williams, Dale Dunn, Hulan White, Raymond Clark.

## Faubus Talks for Firing Teachers

LITTLE ROCK (AP)—Gov. Orval E. Faubus, in a television address last night, criticized their moderate Little Rock School Board members for walking out on a board meeting at which 44 teachers and administrators were fired.

Faubus said the walkout could have been "a well planned maneuver" and the dismissed teachers used as "pawns in the struggle for integration."

Everett Tucker, Jr., Ted Lamb and Russell Matson Jr. staged the walkout May 3 in protest of the board's three segregationist members, Ed I. McKinley, Ben Rowland and Robert Lester.

The recall of all the members will be decided today in an election.

Faubus, who prefaced his talk by saying "I don't expect to sway any votes," concentrated heavily on the evils of integration and warned that integration has never been effected "where all authorities have stood firm, including school boards."

He said that perhaps the reason he receives what he described as a poor press is that in some communities his truck drivers make more than newspapermen.

Referring to the Kennedy-Erwin bill, Hoffa said: "After 24 months of hypocrisy the senators and Congress sit up and say 'We want to protect the working man against Hoffa.'"

"I say it is their desire to destroy organized labor," Hoffa pictured Sen. John F. Kennedy (D-Mass.) as a man "who couldn't find his way out of a four-room apartment with 12 doors when it comes to labor. What does he know about labor?"

## Gunman Holds Hostages Hours, Finally Killed

## Affidavit Law Taken Up By Federal Court

LITTLE ROCK (AP)—A three-judge federal court today hears a legal challenge to constitutional-ity of the teacher affidavit law and to another act forbidding public employment of members of the National Assn. for the Advancement of Colored People.

The suit against the affidavit law was filed in U.S. District Court here by B. T. Shelton, a Little Rock Negro teacher. Later he expanded the suit to cover the NAACP law. The Arkansas Teachers Assn., a Negro group, and its executive secretary, T. W. Coggs, joined as plaintiffs.

The affidavit law is Act 10 of 1958, which has pruned protests at the University of Arkansas and elsewhere. It requires public school teachers, including college instructors, to swear to organizations to which they have belonged or contributed during the preceding five years. Otherwise they may not be employed.

The other law under attack is Act 15 of 1958. It forbids any school district or state, county or municipal governmental unit to hire any NAACP member.

Defendants in the suit are the Little Rock School Board, Pine Bluff School Board, Board of Trustees for the Arkansas A & N College (Negro) at Pine Bluff, Ark., Gen. Bruce Bennett and Pulaski Prosecutor J. Frank Hall.

They have been under a temporary restraining order against enforcing the two laws.

Judges hearing the case are U. S. Circuit Judge John B. Sanborn of St. Paul, Minn., and District Judges J. Smith Henley of Little Rock and John E. Miller of Fort Smith.

Shelton, the original plaintiff in the suit, was included by three members of the Little Rock School Board among 44 school

## Probe Starts After Dogs Kill a Boy

ST. LOUIS (AP)—Several St. Louis County agencies plan investigations into the stray dog problem today as a result of a fatal attack on a little boy by a dog pack Saturday.

Mark Douglas Draper, 2½, son of insurance man Douglas G. Draper, was killed near his suburban Hazelwood home.

Shortly after the incident dozens of armed men searched the area for stray dogs. Police asked them to disperse, fearing an accident or the slaying of a harmless pet.

The boy's body was found by a neighbor, Mel Jones, in a field between the two homes.

The pack of 8 to 10 dogs charged Jones, but he beat them off with an iron pipe.

The St. Louis County Animal Protective Assn., which received the bodies of all dead dogs, and two captured ones, said all but one were "Mayday" lot—obviously strays and nearly wild.

Jones, who pulled the boy's mangled body away from the snarling pack, identified five of the dead dogs as the boy's assailants.

The father of the victim said he had reported packs of dogs in the neighborhood. He said he had thought about shooting at them but didn't want to cause any trouble.

## Court Affirms Death Sentence

LITTLE ROCK (AP)—The death sentence of Lawrence Smith, 19-year-old Chicot County Negro convicted of the robbery slaying of a white farmer, was affirmed by the Arkansas Supreme Court today.

Smith was convicted of the fatal shooting of Gary C. Cundiff.

The prosecutor said Smith made a statement relating that he tried to hold up Cundiff to get money for a second-hand automobile and shot the farmer when the latter advanced toward him with a hammer.

Twenty-nine dollars was obtained in the robbery.

Justice J. S. Holt dissented to the affirmation. The majority opinion was written by Chief Justice Carleton Harris.

It will be the duty of Gov. Orval E. Faubus to set a date for electrocution of Smith.

## Integration Issue May Bring Out 30,000

By JACK MARTIN  
LITTLE ROCK (AP)—Early voting was moderately heavy today in a school board recall election stemming from Little Rock's integration dispute.

Balloting was expected to increase through the day and reach a peak into this afternoon.

All six seats on the school board—now split evenly between segregationists and moderates—were at stake.

In one precinct, several hundred voters went to the polls during the first hour. About half were Negroes. This was one of four precincts with large Negro populations.

The election—expected to draw a record vote of 30,000—was looked on as a test of strength between adherents of Gov. Orval E. Faubus and citizens protesting the firing of 44 teachers and administrators by the three segregationist board members.

Also in the background of the clash are conflicting opinions over the governor's closing of the city's four high schools to prevent integration.

A majority vote will determine whether each member will be continued in office or ousted.

Any board member is voted out, a replacement will be named by the Pulaski County Board of Education.

The 44 teachers and administrators were fired May 8. The firing was presented by the segregationist board members as a necessary measure to prevent integration.

No reason for the dismissals was given at the time.

Later, however, Board President Ed I. McKinley Jr., a segregationist, said that teachers who believed the U.S. Supreme court's desegregation decision was the law of the land "have no place in our school system; however qualified otherwise."

After the dismissal vote while the three moderate board members were absent, a campaign was started to recall the three segregationist members—McKinley, Ben Rowland and Robert Lester.

Polls close at 8:30 p.m. (CST). Normally, it takes about four hours after the polls close to obtain a firm idea of results.

About 6,200 registered Negro voters live in Little Rock and Negro leaders have been urging them to turn out for today's voting. Altogether, Little Rock has 42,000 registered voters.

## Never Too Late for Highway Safety

COVENTRY, R.I. (AP)—For Daniel R. Grant, 32, of North Kingston, it's never too late for highway safety.

His car early Sunday ripped down 40 feet of highway fence, uprooted several trees, and snapped off a utility pole.

When police arrived, Grant was tending two fires, one at each end of his wrecked car to warn oncoming cars. He was using the splintered fence to fuel the fires.

## Tribute Paid to Dulles From Around World

LONDON (AP)—Millions of ordinary people around the world are remembering John Foster Dulles for his leadership in the fight against communism. Today mourned his death.

Western statesmen recalled his emphasis on "face to face diplomacy" and grieved for the loss of a personal friend.

The Kremlin's leaders were silent, but Communist rains received old criticisms of the former American secretary of state.

Sir Winston Churchill called on the world to keep in mind the example Dulles set for those "who put their trust in freedom and fair dealing."

French President Charles de Gaulle messaged President Eisenhower deeply felt the great loss Dulles' death causes "for yourself, for your country and all men attached to freedom."

Chancellor Konrad Adenauer told West Germans they had lost a friend who made their cause his own.

Britain's Prime Minister Harold Macmillan remembered Dulles for his "signal force of character" which supported the highest ideals.

The official Soviet news agency reported the death in a 32-word dispatch without comment. Moscow radio reported it as the 14th item in a 17-item roundup of domestic news.

But the East German news agency, ADN, said Dulles' name was "linked inseparably with the creation of a new war danger in Europe through the armament of Bonn." Broadcasts from other Communist states maintained this tone.

Austrians, remembering Dulles' part in bringing them a treaty of independence in 1955, expressed sadness. Chancellor Julius Raab said Dulles' death was a "great loss for the entire free world."

Indian Prime Minister Nehru named Dulles a "great servant of state."

On Taipei, one of President Chiang Kai-shek's closest advisers said the only comfort was the knowledge that Secretary of State Christian A. Herter would continue Dulles' policies.

Vatican sources said the Vatican always "appreciated the intensity of Dulles work for peace." Gov. Luis Munoz Marin of Puerto Rico termed Dulles a "soldier of peace who gave his life in his effort to create a conscience of peace in the world."

From Israel, Prime Minister David Ben Gurion sent President Eisenhower his condolences at the death of the "great American statesman who in a large measure guided the international policy of

## U. S. Still Has Tidy Sum of Gold on Hand

By SAM DASON  
AP Business News Analyst

NEW YORK (AP)—Uncle Sam once had nearly 25 billion dollars in gold sneaked away. Now he has just a bit more than 20 billion.

That's still a tidy sum, the world's largest hoard.

The U. S. Treasury says it isn't losing any sleep over the flow since 1946—ever, though the flow of gold into foreign hands has been most impressive in the last 15 months, and has got up steadily in the last few weeks.

The gold went into foreign hands, not yours, because Americans are forbidden by law to buy or hold gold except as jewelry, teeth fillings or the like.

But, the central banks of other nations can buy gold from Fort Knox. If they put up U. S. dollars for it at \$36 an ounce. Some foreigners think Uncle Sam should double the price or even raise it higher still.

Most of those talking this way are major extractors of gold from mines. And who wouldn't like to see the price of his products increase?

If Congress and the administration get upset by the outflow of gold they can stop letting foreign nations buy it from the U. S. Treasury. If they want to—and few think they do—they could raise the price of gold.

Should this country double, say, the price it pays for gold, what would it mean to you?

1. It would mean that as a shareholder in the American economy your currency would be backed nominally by 40 billion dollars worth of gold instead of 20 billion—although the physical amount of gold in Fort Knox would be the same.

In a sense, that would be like a two-for-one stock split—more shares in your strong box, the same assets held in common.

2. It would mean—at least theoretically—that in time the price of everything you own and everything you buy would be doubled. (Theoretically, because when the price of gold was hiked in 1934, from \$20.67 to \$35 an ounce with the idea that would boost prices and thus cure the big depression, it didn't work out as expected.)

Advocates of a gold price hike hold that all that really would happen would be a rational readjustment of the price of one of the few commodities whose price has not changed since 1934. They think the big growth in volume of the world's currency requires a bigger base (in stated value) of gold.

## Judgment of \$62,887 Is Confirmed

By LEON HATCH

LITTLE ROCK (AP)—The Arkansas Supreme Court, in a 4-3 decision, today affirmed a \$62,887.50 judgment growing out of an airplane accident death at Jonesboro.

The judgment was returned against Dr. Robert W. Ratton, in favor of Mrs. Goldie Busby, as administratrix for the estate of her husband, Charles H. Busby, who was killed in the accident.

Busby, a flight instructor and Billy Wayne Robinson, a passenger, were injured fatally when their plane collided with Dr. Ratton's plane at the Jonesboro Airport on Jan. 19, 1958.

Robinson's death was not involved in the case decided today.

The majority opinion, written by Justice Ed P. McPadden, rejected several contentions of error filed for Dr. Ratton.

The majority turned down a

3. It would mean that if you had some gold mining stock you'd feel lucky. (And on the odd chance of it some people have been buying gold mining stocks.)

4. It would mean that almost certainly other currencies would be adjusted accordingly. So your dealings with customers and suppliers would be in larger figures, if not in larger volume.

claim that the verdict was excessive, saying "it is a large sum, but that Mrs. Busby and her children suffered a great loss."

The opinion said it was the contention of Ratton that he was denied a fair and impartial trial which gave the most serious concern.

## Brando Film Finished After 6 Month Period

By BOB THOMAS

**HOLLYWOOD, Calif. (AP)** — Marlon Brando is finally finishing the movie he began six months ago.  
This appears to be something of a record for modern Hollywood times. In the old days, a Charlie Chaplin or an Erich von Stroheim might have spent a year on an artistic venture, but costs were considerably different then.  
More recently, MGM took 8 1/2 months to shoot "Ben-Hur" in Italy, sometimes employing three separate companies. Brando's "One-Eyed Jacks" may be the modern record holder in Hollywood. At least it is at Paramount, where he has been shooting.  
Brando expects to reach about 130 days (with a five-day shooting schedule) and finish his directorial career next week. If there is any pause about his over-time, the Paramount brass don't show it.  
"We've got the Brando name in a class Western," a spokesman said. "We feel that is worth the \$4 to \$4 1/2 million the picture will cost. This will be our blockbuster of 1960."

Nor did Brando seem concerned when I visited him during the last days of filming. Tired, maybe, but not concerned. Weight is always a concern of his, and I asked if he had lost any.  
"I've lost my mind, mostly," he said. "Some weight, too. I've been working from early morning until midnight every night."  
Nor will there be any rest for him. He's scheduled to start immediately in New York with "The Magnificent Seven" along with Anna Magnani and Joan Woodward. "I won't have a day between," he said, "and while I'm back there, I'll also be cutting 'One-Eyed Jacks.'"

## Andy Getting Ready to Quit TV

By BOB THOMAS

**AP, Movie-TV Writer**  
**HOLLYWOOD, Calif. (AP)** — Summer must be approaching, because Andy Williams is getting ready to start a TV show.  
That's getting to be as sure a sign of the coming of warm weather as the breaking of the ice in Alaska or the rise in Cicerone's sales. The personable recording star will be doing a summer replacement show for CBS, which means he will have touched all the bases.  
First he filed in for Dinah Shore's old two-a-week, 15-minute show on NBC. Next he subbed for Pat Boone's half hour on ABC. Now his CBS with a whole hour — the Garry Moore slot on Tuesday nights.  
How does he feel about being the summer kid?  
"I don't like it so well, he admitted. After last year, I decided I wouldn't do another summer replacement. I'm doing well with records, night clubs and guest appearances.  
"But then the idea came up to do a show with only performers under 20. Except me; I'm 28, though I'm thinking of going back to 27. That sort of a show sounded exciting, and I agreed to do it.  
"The trouble was that the sponsors wouldn't go for it. They wanted a variety program. 'You couldn't find comedians that young; they aren't funny under 20. I don't know why they aren't sick enough yet, I guess.  
"So Andy will be taking over for Garry July 7 for 12-14 weeks. He's more hopeful about breaking into the winter league this year because CBS is looking for a musical star.

Her Kindness Stops With Good Thoughts

Dear Dorothy Dix: Perry was a classmate of mine and for several months he was the object of my special interest. I never dated him but we met at various parties and he was always pleasant, well-mannered, well-groomed and generally nice kid. My parents know his folks and they agreed that he was an exceptionally fine boy. He was a good student, liked at school, trusted by teachers.

The entire community was shocked when he was recently arrested for robbery. He claimed the evidence was circumstantial and in fact, that is what everyone, including my parents, believes. He's out on bond at present. My problem is that I want to help him, to let him know that people believe in him and that he has at least one friend. Of course I wouldn't dare date him. Anyone knows that wouldn't look right but I'd like him to come to the house. Have you any advice? — G. C.

Dear GG: You're a very young girl with crusading spirit but not quite enough nerve to carry your ideas all the way. Perry certainly

## President in Fine Tribute to Mr. Dulles

By MARVIN L. ARROWSMITH

**WASHINGTON (AP)** — President Dwight D. Eisenhower today gave a fine tribute to Mr. Dulles, who died last week. The President's personal sorrow, he spoke of his heartfelt loss of "a dear and close friend."  
Eisenhower's eulogy came Sunday as he took the oath of office as President of the United States. The President's eulogy came Sunday as he took the oath of office as President of the United States. The President's eulogy came Sunday as he took the oath of office as President of the United States.

Today the President and his wife shunted aside engagements they had planned before Dulles' death. President postponed today's trip to the Agriculture Department's research center at Beltsville, Md.

Wednesday the President and the first lady will attend funeral services at Washington's Episcopal Cathedral and final rites at Arlington National Cemetery.

Less than six weeks ago he had announced, with tears in his eyes, that cancer had forced Dulles' resignation from the cabinet. Only last Tuesday he had conferred on Dulles the Medal of Freedom, the nation's highest award to civilians.

Dear Dorothy Dix: My husband says I'm not a good wife because I'm cold-blooded and never show affection. I love him, in my way, but I wasn't brought up with love and can't show it. How can I get over my coldness? — C. B.

Dear C. B.: If your husband doesn't get affection at home, he's likely to look elsewhere. I have a list of books that should help melt the ice and put a little fire in your life. Send a stamped, self-addressed envelope for my catalog "Marital Harmony." A little reading on the subject of frigid wives will open your eyes to the need of thawing out.

Send your problem to DOROTHY DIX. Be sure to enclose a stamped, self-addressed envelope, and a dress her care of this newspaper.

## East-West Talks End Until Wed.

By JOHN M. HIGHTOWER

**BERLIN (AP)** — The East-West talks on Germany will be suspended Wednesday and Thursday while the Western foreign ministers fly to Washington for the funeral of John Foster Dulles.

U.S. Secretary of State Christian A. Herter will take with him British Foreign Secretary Selwyn Lloyd and French Foreign Minister Maurice Couve de Murville. They leave Geneva Tuesday night after a brief session of the Big Four conference.

Western diplomats speculated that Soviet Foreign Minister Andrei Gromyko also might go to the funeral, but there was no word from Soviet headquarters to confirm or deny this.

U.S. Assistant Secretary of State Andrew H. Berding said he thought it possible Gromyko might fly to Washington.

Gromyko agreed in a telephone conversation with Herter to the two-day suspension of the conference. He said he fully understood Herter's wish to attend the funeral and expressed condolences on the death of the former secretary of state.

The news comes during a critical week for the conference. The Western ministers, apparently with some agreement on encouragement from Gromyko, are planning to engineer a gradual shift from the formal debate over the mutually rejected Soviet and Western plans for Germany to active negotiations on more pliable issues.

Herter, Couve de Murville and Lloyd's deputy, Sir Anthony Rumbold, arranged a morning meeting

ignation from the cabinet. Only last Tuesday he had conferred on Dulles the Medal of Freedom, the nation's highest award to civilians.

It was at his farm about 8:30 a.m. Sunday that the President received word that Dulles was dying at Walter Reed Army Hospital, Eisenhower's own physician.

Major Gen. Howard M. Snyder telephoned that report to the President.

Eighty minutes later Snyder phoned again to report that Dulles had lost his battle against cancer and pneumonia complications.

Eisenhower went immediately to the glassed-in stonework of his country home and, on a pad of yellow paper, wrote in pencil a statement of tribute to Dulles.

"This countryman and all who believe in justice and the rule of law grieve at the passing from the earthly scene of one of the truly great men of our time," the President wrote.

Minutes after he returned to the White House, Eisenhower signed a proclamation calling in effect for nationwide mourning.

today to consider concrete ways of carrying on secret talks with Gromyko on arrangements for summit meeting and other related problems.

# Yanks Win Pair Before Losing to Baltimore

By JOE REICHLER  
Associated Press Sports Writer

Jerry Walker, a 20-year-old with the noise and control of a seasoned campaigner has thrown his hat into the ring for rookie of the year honors.

The 6-1 right-hander hasn't attracted the attention of such Baltimore pitching heroes as Hoyt Wilhelm, Billy O'Dell and Billy Lee, but the kid from Ada, Okla., has pitched as well as anybody in the American League this year.

Sunday, for instance, Walker threw a five-hitter at New York, beating the Yankees 2-1 in the second game of a doubleheader to prevent the defending champions from reaching the cellar. Only New York's seventh in the home run kept him from duplicating Whitey Ford's shutout in the Yankees' 9-0 opening game victory.

It was Walker's fourth straight victory this season, and his fifth major league triumph without a setback. Signed as a bonus boy in June 1957 he won his only start that year but spent 1958 with the Yankees in the bullpen and turned in an 18-4 record and a 2.61 earned run average. The youngster currently has a 1.37 ERA, has fanned 81 and walked only six in 46 innings. He hasn't walked a batter in 27 2-3 innings.

Although he held a split in his doubleheader with Detroit, the Cleveland Indians increased their lead over the Chicago White Sox. Cleveland won the opener 3-2 but lost the second game, 6-3. Kansas City downed the White Sox 8-6 and Washington whipped Boston 8-3.

In the National League, Milwaukee split with Philadelphia, winning the second game 8-3 after the Phillies had won the opener 6-0 behind ex-Braves Gene Conley. Pittsburgh beat Cincinnati twice, 2-1 and 5-4 in 10 innings. San Francisco drubbed Los Angeles 6-1 and St. Louis defeated Chicago 7-3.

Mickey Mantle and Yogi Berra walked three-run homers in the Yankees' first game triumph over Baltimore, which gave them two in a row for the first time in two weeks. Grady Hammer's ninth inning single drove in Cleveland's winning run in the first game as Herb Score fanned 10 for his fifth victory and third in a row. Frank Taylor turned back the Indians' eighth-inning hit in the nightcap although he needed help from Dave Sisler for the ninth. Harvey Kuenn, who had six hits in the twin bill, had a double and two singles in the nightcap, scored twice and drove in a run.

Kansas City whacked Billy Pierce and four relievers for 13 hits. Hal Lopez, who drove in four runs in Saturday's 16-0 triumph over the White Sox knocked in four more with a double and triple. Ray Herbert won his fourth.

Pete Throneberry who had three hits drove in two runs with a triple that highlighted Washington's three-run first and gave Bill Fischer his fourth triumph in five decisions. It was Boston's fifth loss in a disastrous 12-game home stand.

**STAND TALL**—Peter Pocock has reason for wearing odd built-up shoes in London. He's a stand-in in a British movie company and was too short for a scene.

**LOOK OUT!**—If you come back to your auto sometime to find it decorated like this, call the police. That two-toning on this car in Conway, Ark., consists of thousands of bees, entirely covering the tail light. The swarm was later boxed.

## News Briefs

**BOISE, Idaho (AP)**—A father slumped dead in the street Sunday as he knelt to put a pillow beneath the head of his unconscious son. A doctor said the father, James E. Hinderlitter, 40, apparently died of a heart attack. Hinderlitter had called the doctor after emergency from his house to see his son, James L., 15, lying in the street beside his motorcycle. The youth lost control of the cycle trying to avoid striking a dog. The teen-ager was hospitalized with internal injuries.

**HOUSTON, Tex. (AP)**—An airplane failed its Federal Aviation Agency tests Sunday because it didn't stay on the ground. The plane, a homemade craft called the Cougar Kitten, was being put through taxi tests for FAA inspectors R. K. Beckelman and Albert Sanell. Suddenly, the plane arched gracefully into the air, climbed about 20 feet, then crashed. Pilot and builder Robert B. Nesmith suffered a bruised shoulder.

**DUDLEY, England (AP)**—Edward France climbed into a cage with three zoo lions Sunday and kicked one of the beasts on the nose. France, a 17-year-old butcher's apprentice, said he acted on a sudden impulse. Fortunately the lions had just been fed. Keepers said otherwise he probably would have been killed. "I thought I'm a pretty skinny meal and I don't believe they'll bother me," France told a reporter. Afterward, any of them looked up and began to smack his chops. He looked at me very closely and I thought 'skinny or not, I'd better get out of here.' France climbed back over the safety fence.

**KANSAS CITY, Mo. (AP)**—Two-year-old Kitty Kirwan, playing house, did a washing. For material, she used plenty of soap and all 33 neckties from her father's closet. She applied plenty of rubbing. Her father, advertising executive Jack Kirwan, made a hurried trip to a haberdashery.
